## **SEIU-UHW Healthcare Workers and Instituto Laboral de la Raza United to Improve Healthcare**

Californians are less healthy than ever before. Chronic diseases and skyrocketing costs are overwhelming our healthcare system and destroying the quality of life for millions of people.

Healthcare workers live and breathe these challenges every day – in hospitals and clinics, in clients' homes and in nursing homes – and we are joining with others to tackle one of the biggest problems facing California today. ***Together we are putting the health back in healthcare.***

## ***La Unión De Trabajadores Del Cuidado De La Salud SEIU-UHW Y El Instituto Laboral De La Raza Se Unen Para Mejorar El Cuidado De La Salud***

*Los californianos están menos saludables ahora que en cualquier época anterior. Las enfermedades crónicas y los costos cada vez más altos están abrumando al sistema de salud y destruyendo la calidad de vida de millones de personas.*

*Los trabajadores del cuidado de la salud viven y respiran estos cambios todos los días – en hospitales y clínicas, en los hogares de sus clientes y en los hogares para ancianos – y nos estamos uniendo a otros para sortear uno de los principales problemas que aquejan a California hoy en día. ***Juntos estamos volviendo a poner la salud en el cuidado de la salud.****
