FREEDOM.

It's the word that has always called to humankind, in every time, place and circumstance. Freedom for workers animates groups such as **Instituto Laboral de la Raza**, as it does the individuals whom we honor here tonight: **Peter Finn, Enrique Arguello** and **Ted Lewis**. It also continues to guide our own efforts at Boxer & Gerson, LLP, as we serve injured workers in their quest for just compensation and care. *¡Juntos, podemos!*
