Instituto Laboral de la Raza's
Labor Capital Breakfast

This unique gathering will feature a special presentation on using labor's capital investments for creating green collar jobs, and sustainable economic growth.

Today State Treasurers and Controllers across the country are working together with public and union pension fund managers in state wide initiatives to catalyze a new clean energy economy to put millions of Americans to work in a new generation of well-paid jobs.

California business and organized labor are supporting targeted collaborations to make our state and country a global leader in the clean energy revolution.

Clean technologies and markets are providing outstanding opportunity and growth in today's sluggish economy. The California High Speed Rail System is just one example of a new green transportation system that will create 160,000 construction jobs to build, and thousands more new sustainable jobs in California.

At Instituto Laboral de la Raza's first annual labor capital breakfast you will be able to hear directly from four outstanding leaders at the center this dynamic market.

Purchase Tickets and Tables Online at:
www.ilaboral.org/breakfast2008

*There will be a Post-Breakfast Reception
for Sponsors, Speakers and Special Guests
10:30am - 11:30am*

This is a fundraising event benefiting Instituto Laboral De La Raza, a 501C(3) non-profit, non-partisan organization dedicated to protecting the rights of California's working poor.

Founded 1982, Instituto serves low income families of California as a free workers' resource center, open 8:00 AM to 8:00 PM - 7 days a week. The Instituto is small enough so that donors, at whatever level they contribute, have a very significant impact on our ability to provide services.

Our fundraising events are a great point of contact for building and strengthening relationships. They create an outstanding opportunity and value for all those who attend and participate. Supporting our events by purchasing tickets, tables, advertising and sponsorship is fully tax deductible to the extent allowed by law.

If you cannot attend, please consider a donation!

Thank You For Your Support!
